

Machine Embroidery Techniques

Jan Cirvola

Embroidery Clock

Email teacher Jan Cirvola for information on getting your design ready for your machine at jcmitquilts@gmail.com.

Supplies needed:

- Walmart clock (see picture – approximately \$4)
- 1 piece of felt or cotton fabric for background 8 ½" x 11"
- Stabilizer sufficient for density
- Clock embroidery design – Embroidery Library has some online or create your own (it's helpful if the center is clear to cut hole)
- Basting spray or double-stick clear tape to attach embroidery to clock
